

Wilkinson Primary School - Year 5

This sheet tells you a little about the work your child will be covering during the forthcoming term and how you may be able to help.

Water, Water, Everywhere?

Activities will include:

Geography: Investigating rivers around the world and the water cycle.

ICT: To create an underwater game using Kodu and creating a short stop-motion animation film.

Creative: Learning about artists and using their individual styles to create water scenes. Creating a picture using a vanishing point. Designing and creating a working water wheel.

Science: Forces and living things and their habitats.

RE: Islam- significance of the 5 pillars to Muslims. What can we learn about temptation from religions?

You can help by:

Hearing your child read regularly and signing their reading record book to confirm that the book has been read at home. Helping with the homework tasks, which will be given to support the work being covered across the curriculum, including English and Mathematics. Encouraging your child to locate and find information about their topic work. Supporting your child to learn their weekly spellings. Encouraging children to complete sessions on My Maths, Symphony Maths, Rockstars and Charanga.

Please make sure that your child has their named PE kit in school every day.

On the reverse of this sheet is a breakdown of all of the genres and topics that will be covered in English and maths this term.

If you have any queries about any of the information included on this sheet or any concern about your child, please do not hesitate to see one of us either before, or after school.

Mr Smith and Miss Holden (5PS) and Miss Davidson and Mrs Rainbow (5KD)
