

A GUIDE TO THE MTC

WHAT ARE WE GOING TO COVER?

- What is the MTC?
- MTC key facts.
- Preparing pupils for the MTC.
- Q & A time.

INTRODUCTION

- The Multiplication Tables Check (MTC) needn't be daunting!
- For many pupils, it's a fantastic opportunity for pupils to show off their fluency with their tables, which they've been practising for years.

WHAT IS THE MTC?

- The MTC stands for Multiplication Tables Check.
- Set by the government, the MTC is an on-screen assessment designed to determine whether pupils are able to fluently recall their multiplication tables up to 12, through a set of timed questions.

MTC KEY FACTS

- There is a 3-week check window starting 5th June 2023 during which schools will complete the MTC with pupils in Year 4.
- Pupils will have 3 practice questions before the check begins.

MTC KEY FACTS

- The MTC will ask the pupil 25 random multiplication questions- they will not be asked division questions.
- Pupils will have 6 seconds to read the question, understand it, and enter a response. They will then receive a 3 second pause before the next question is shown.

MTC KEY FACTS

- The children will take the test on a computer. There is no option to complete the test on paper.
- Teachers will have the flexibility to administer the check to individual pupils.
- There is no pass mark for the MTC.

WHAT DOES THE MTC LOOK LIKE?

GOV.UK Multiplication Tables Check

Remaining time: 5

$11 \times 2 =$

1	2	3
4	5	6
7	8	9
	0	Enter

Timer counting down

Type in answer

MTC KEY FACTS

- After the MTC window closes, schools will be able to compare their school average, with their Local Authority and National average.

PREPARING PUPILS

This activity exactly mirrors the 'Multiplication Tables Check' that will be given to children at the end of Year 4. They are tested on their multiplication tables up to 12×12 . There are twenty-five questions and children have six seconds to answer each question and three seconds between questions. The questions are generated randomly using the same rules as the 'Multiplication Tables Check' (see below).

Results can be downloaded and printed at the end of the test.

Multiplication Table	Minimum number of items in each form	Maximum number of items in each form
1	Not applicable	Not applicable
2	0	2
3	1	3
4	1	3
5	1	3
6	2	4
7	2	4
8	2	4
9	2	4
10	0	2
11	1	3
12	2	4
