

5th September 2025

Dear parents,

We are now just a couple of weeks away from our Year 2 residential visit to Kingswood on 22nd and 23rd September. I would like to take this opportunity to give you a few reminders as we move ever closer to the date.

- Please find attached a copy of the kit list detailing the items your child will need on our visit. Ensure all clothing is named.
- Children must bring a packed lunch with them on the first day (September 22nd) in a plastic bag with their name on. No lunchboxes or bags please as food will be refrigerated on arrival.
- If any medical information has changed since you sent in the forms could you please inform us ASAP.
- Please note clothes that the children have already worn are best rather than brand new ones.
- Please ask me any questions at the gate before or after school.

Yours sincerely,

Mr Crisp

'Show pride and respect in all that we do'
