

Wilkinson Primary School Children's Safeguarding Policy

What is Safeguarding about?

- All of the adults in school believe that your health, safety and happiness are very important.
 - In our school, we will respect you and help to protect your rights.
 - We will do our best to help you to make good progress, both with your school work and with skills for life.
- We will teach you how to recognise risks in different situations and how to protect and keep yourself safe.

How will Wilkinson keep you safe?

- We will provide a safe environment for you to learn in.
- We will give you the knowledge and skills to ensure that you can keep yourself safe, at home as well as at school.
- We think it is important for you to know where to get help if you are worried or unhappy about something.

Need to talk?

You can talk to any adult in school if you need to but Miss Lane's special job is to make sure everyone feels happy and is safe.
