DT

Research and investigate a Stone Age monument that can still be found in the UK, such as Stonehenge or Callanish Stones. Create a model of the monument that you have researched. You could use materials such as playdoh, Lego, or even recycling! Either bring your monument into school or email in a photograph through the school email.

Writing

As we will be looking at the Stone Age this term, we would like you to use your imagination and write about a fictional hunt! Imagine that you are a cave person, and you are about to go out and find some food. What animal will you look for? What weapons do you use to catch it? Will it be easy or a struggle?
