

1st June 2026

Dear Year 1 Parents,

Science Fair projects are due in on Monday 22nd June and during the course of that week we are inviting parents to come and have a look at the wonderful science projects the children have created. This year we are again offering a science experience in the classroom whereby you can help your child with their next science activity to give you a taster of what Science lessons are like.

The Parents of Year 1 children are cordially invited to view the Science Fair projects with their child in the school hall at 8:30am, on **Wednesday 24th June**. A member of staff will then collect you from the hall for your classroom experience. The event will end at 9:45am.

The children love sharing their experiences with parents. We hope you will be able to attend. Please complete the slip below to help us organise resources.

Yours sincerely,

Miss Davidson
Science Co-ordinator

To Miss Davidson,
I will/will not be able to attend the Science Fair/ Class activity on Wednesday 24th June, 2026.

Signed: _____

Parent/Guardian of _____
