

12th November 2025

Dear Parents and Carers,

This Christmas we're doing something a little different..... and we couldn't be more excited to share it with you! Instead of our usual Christmas Fayre, the PTA is hosting a **Pop-Up Christmas Market**, (on **Tuesday 16th December 3.30 till 5.30.**) A magical event full of festive cheer, local talent and wonderful handmade goodies!

Do you have your own small business or hobby you'd love to share? Perhaps you bake delicious cakes, create beautiful crafts, make wax melts, sew, knit or design unique gifts? This is your chance to showcase your creations and sell them at our Christmas Market!

Following on from the success of last year's Christmas Fayre our fireworks spectacular will also return! We look forward to welcoming you and remember to wrap up warm as this will be an outside event.

Stall Information

- **£20 cash** payment per stall by **Monday 1st December**. Please pay at the office. (**All proceeds from sales are yours to keep!**)
- If you sell food items, please provide the school with a valid food hygiene certificate. **Food will need to be labelled with the relevant food safety guidelines providing ingredients, date made and sell by date labels.**
- If you sell wax melts or candles, please provide **fire safety stickers and ingredients** on these items too.
- To book your stall, simply fill out the attached form or speak to **Mrs Lea** for more details. A copy of your valid **food hygiene certificate** will need to be handed into the office by **Monday 1st December** please.

We can't wait to see our school transformed into a winter wonderland full of festive stalls, laughter and community spirit. Let's make this year's Christmas event one to remember!

Thank you for your continued support.

Mrs Lea

PTA Lead

Pop-Up Christmas Market Stall

Your Name/ Name of child linked to you _____

What is your small business? What will you be selling on your Christmas Stall?

I confirm I have paid the £20 for my stall.

'Show pride and respect in all that we do'
